

DIGIPASS for Business Banking

Vantage Bank Texas provides Soft Tokens as an alternative to a physical hard token device.

- Soft Token utilization will be granted to users upon request
- To synchronize the Soft Token App with Vantage Business Online, you will need to have your **Smart Phone** (iPhone or Android) and your **PC** in front of you.
- Synchronization is a one-time-only process, unless you are adding the app to multiple phone devices.

APP DOWNLOAD (ANDROID OR IPHONE)

Step 1: Download "**DIGIPass for Business Banking**" from the App (iPhone) or Google Play Store (Android)

Access the App Store

DigiPass for Business Banking

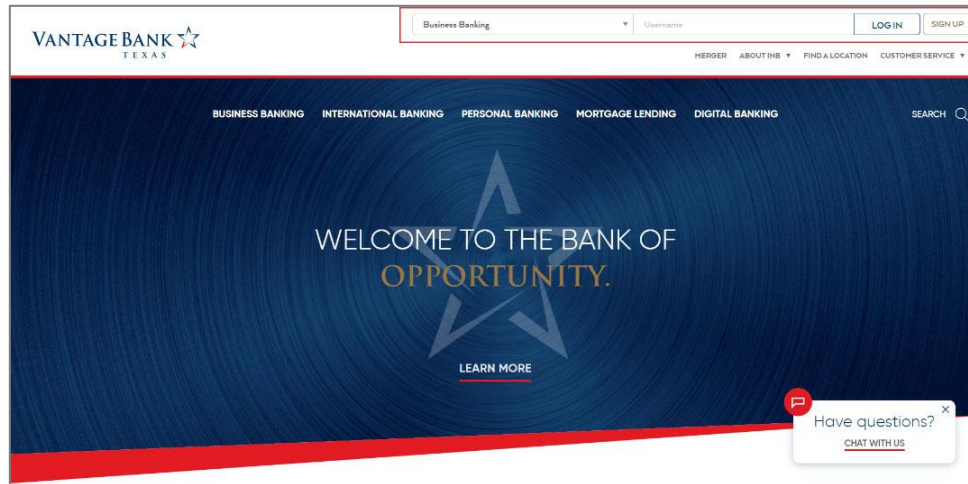

Click on the App

Select "Begin activation"

PC LOGIN

- Step 1: Go to www.vantage.bank and locate the login box at the top right-hand corner of the homepage.
- Step 2: Select the **Business Banking** from the drop down
- Step 3: Enter your **User Name** (case sensitive) and your assigned **Temporary Password**
- Step 4: Read and accept the **Online Banking Terms & Conditions**
- Step 5: Click the **Login** button
- Step 6: You will be prompted to enter the **temporary password** again then establish a **new password**. (You will not need to remember the temporary or new password as your token registration will override these passwords.) Click **Continue**.

NOTE: If changes are made at any time that you did not initiate, please Vantage Bank Texas **immediately** at (877) 627-9099.

BEGIN ACTIVATION

Now that you have downloaded the DIGIPass for Vantage Business Mobile and you have your PC activation screen ready, you can begin the activation process.

- Click Begin activation on your Phone
- Click Begin activation on your PC

Activate token

Tokens help to prevent unauthorized people from logging into online banking or doing things like making payments by generating a code that must be entered into online banking along with a personal identification number (PIN) that you will define.

To activate your token, you will need the app on your device. Download and open the app, then click Begin activation below.

Detailed instructions on [downloading and starting the app](#) are available.

[Begin activation](#)

[Help](#) [Contact Us](#) [Online Chat](#) [Locations](#) [Privacy & Security](#) [Banking Agreement](#) [Avoid Overdraft Fees](#)

- Hold the activated camera on your PHONE in front of the SCAN Pixel box
- A device code will appear on your phone display
- Enter the number into the Device Code field on your PC
